818Channel Media Inc. is proud to organize this 2009 Canada-China Natural Resource, Environmental & High Tech Trade Mission with the help from Chinese Entrepreneurs Society of Canada, Smart Group Foundation and Vancouver Business Network Forum (VBNF). Smart Group Foundation is an active cultural organization that has initiated many educational and marketing promotional events that promote Chinese culture. VBNF is a well known business group in the main stream society in Vancouver. VBNF is organizing a delegation mission of Canadian Business to China this early November prior to bringing Chinese business counterpart to Canada by the end of November 2009. Their effort will help Chinese and Canadian business connect and to benefit from each other. Right now, there are Chinese businesses who want to come out to diversify their investment and expand their business. 818Channel and VBNF have clients in Canada who have been looking for business opportunities with China. We believe this is a critical time that Canadian business and Chinese business understand what they can cooperate for win-win business opportunities. This delegation will be benefit from the support through the three levels of government in Canada. Participants will gain a deeper insight and better understanding of the business opportunities in Canada. We can assist all interested individuals who may need English interpretation if needed. Seats are limited; please contact 818Channel for questions and information.

818Channel Media Inc. 非常榮幸，在Chinese Entrepreneurs Society of Canada, Smart Group Foundation和温哥华商联会 Vancouver Business Network Forum (VBNF) 的支持下，組織這次中加天然能源、高科技及环保投资博覽會。 Smart Group Foundation 是一個積極推動多元文化的教育性組織，多次舉辦內容豐富的活動，宣傳中華文化。温哥华商联会則是一個聞名於本地主流市場的商業集團。今年 11 月初其組織的加華考查團也吸引了大批溫哥華商家參與，為加國商人搭起開拓中國市場的橋樑。當今有許多中國公司想要拓展更多元的業務與投資項目。而 818Channel及温哥华商联会則有很多加國的客人急于到中國尋找商機。我們相信現在正是重要的時機，通過雙方的考查學習，讓兩國的商業與經濟起到互贏互助的關係。本次中加天然能源、高科技及环保投资博覽會將會得到加國三級政府的支持。參加者會對加國天然能源開發，高科技使用，環保項目以及商業運作得到更深入與透徹的了解。我們會事先通知每位報名者需要準備的事宜以及在加國的行程。名額有限，請儘快與 818Channel聯絡報名。
